To record the visit, enter the following fields:

- **Date:** the date of the exam, the application defaults to the current date.
- **Patient:** select a patient by pressing the **Find Patient** button.
- **OPD/IPD:** the window automatically checks if the patient is admitted or not in the hospital; the value can be changed if needed.
- **Exam:** choose the exam. The first window asks for the material. Then a second window asks for the exam. Finally, a third window asks for the result if the exam allows only a single result; otherwise, the list of multiple results is shown in the right panel, together with the chosen material.
- **Remove:** remove a selected exam.
- **Note:** additional exam reporting (different for each exam).

At any time, before pressing **OK**, modifications can be made to every exam by clicking on it in the list and changing material, results, or notes in the related
